

THE WEDDING VOW

WEDDING BOOKLET

A 12-month Wedding Checklist
& Exclusive Wedding Discounts Just for You

HEY THERE!

Getting married feels like butterflies in your stomach! Exhilarating but at the same time, it can be quite "stressful" to plan probably the most important celebration of your lives. I remember how it was like, wanting every moment to be perfect. But after going through it all (we've been married close to 5 years now), I learned that what is most important is enjoying yourself, having fun, and getting to celebrate this significant day with your loved ones. That's how you make your wedding memorable.

Even though we've moved forward from our wedding day to moving into our new home and now having a baby, we still very much love weddings and the magic in them, which is why we still keep writing about them.

This booklet was created specially for you. It contains a **wedding checklist** so you can easily tick off what to prepare for your big day. Also, we know how much weddings can stress a couple financially, so we've worked with our trusted partners to bring you **wedding discount vouchers** that you can enjoy.

I hope that you find them useful, and that you will share them with your friends & family who may need them too. As always, drop me a note at contact@theweddingvowsg.com if you have any questions, feedback, or just want to chat. Enjoy your wedding journey, and we wish you the very best!

With Love, Matt & Joce
